

Love (Creamery) is in the Twin

Ports

Elena Bissonette
ebissonette@css.edu

As we bid farewell to sunny summer days and begin to welcome cozy fall ones, there is one thing that carries over from summer into fall. Can you guess what that might be? If you guessed ice cream, then you're correct!

But we aren't talking about any old ice cream; we're talking about the one and only Love Creamery and its two locations in Duluth, located on West Superior Street and down in Canal Park.

What makes Love Creamery so loveable, even in the chilly fall months? Is it their use of local and responsible ingredients? Or their gluten free waffle cones? Maybe one of their espresso shots?

If you have never been to Love Creamery, you must add it to your list of things to-do in Duluth! It

is worth the drive for three delectable scoops of ice cream that you hope will never end. Spoiler alert: your ice cream will run out in a matter of five minutes, due to its deliciousness. Consider sizing up!

What else makes Love Creamery so loveable? Probably the fact that there are options for everyone, including gluten free, nut free and vegan options. Everyone has the opportunity to enjoy the handcrafted fresh taste of Love Creamery.

What's even better yet? They sell their ice cream in pint sizes to-go and custom ice cream cakes! Maybe you don't have time to wait in line for a scoop of heaven but you can surely buy a pint to-go and enjoy it at home.

It is safe to say that love has arrived in the Twin Ports with the presence of Love Creamery in both local

shops and their storefront locations. Love is in the air in the Twin Ports, and you don't want to miss it. Share and spread the love by scooping up some ice cream at Love Creamery today!

Searching for a list of this week's flavors? Check out some of the unforgettable flavors being scooped up at their Canal location. Salted Caramel (GF) Dark Chocolate (GF) Mint Chip (GF) Caramel Apple Pecan Pie (HG/N) Vegan S'mores (V/GF/S)

Preview: CSS Music Department's Prism Concert

Maia Larson
mlarson19@css.edu

Picture the percussive, beating rhythms of the steel band or the gentle, sparkling voices of the choir. Imagine a large hall filled with the triumphant sounds of the band and orchestra. Imagine the sounds of the shining instruments building in tension and volume, and rising to the ringing crash of the cymbals, creating a regal sound filling the air. These images are the light that filters through the "prism," creating the rainbow of sounds dancing through the air.

The Prism Concert is an annual concert that features many of the wonderful ensembles from the Music Department including, but not limited to, orchestra, steel band, and the choirs. It is a way for the Music Department to be involved with Homecoming, as

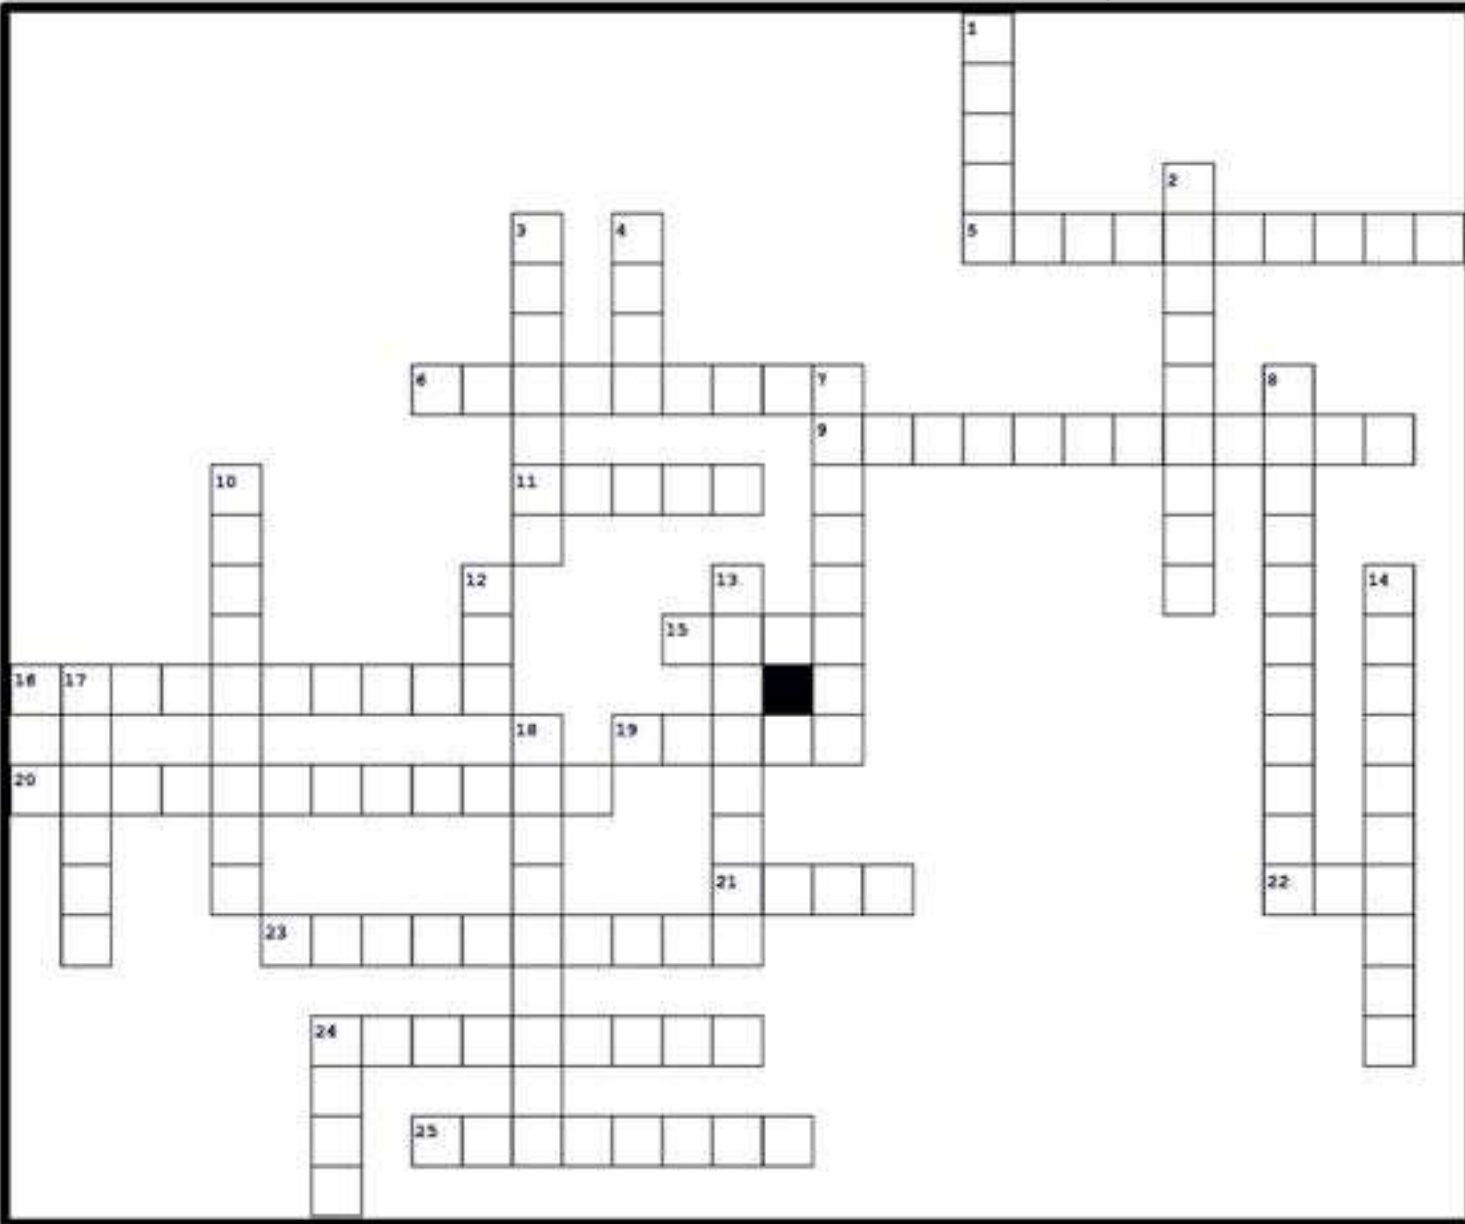

well as demonstrate a brief glimpse at what the Music Department is working on.

During an interview with Dr. Michael Buck, the band and orchestra director, he said, "COVID-19 precautions are being taken. The audience will be further away from the performers and will be sitting in 'family' pods in order to minimize contact." Buck also mentioned that hopefully the public is able to attend the concert, though the information on that has yet to be finalized, but the concert will also be livestreamed. The concert will also be kept relatively short, with each ensemble performing a single piece, and then coming together to all perform the school song as the finale.

The Prism Concert will take place Saturday, Oct. 16 at 11 a.m. in the Mitchell Auditorium and attendance is free of charge.

Crossword: Harry Potter

Answers on Page 9

Ashley Etter
aetter@css.edu
