If you would like to see Schroeder in action, the CSS music program is holding a few events coming up. The PRISM Concert takes place Saturday, Oct. 1 at 4 p.m., featuring pieces from the CSS band, orchestra, and choir departments. After that, we have a CSS Band and Orchestra concert on Nov. 13.

If you are interested in band, orchestra, or choir, talk to your advisor. Students don’t have to be music majors to be in the music program. Scholarships are available for non-majoring students starting Fall 2023. “Come join us, we’re open to everybody.” A direct invitation from CSS’s newest music professor. More information about the upcoming events can be found on the CSS events page.
